Haiku poezija – Haiku poetry

***Džamija nova
A ljudi nema. Ipak,
bije šest lula***

...

*A mosque all new
but no people. And yet,
water gushes from the six spouts*

.....
***Allahu ekber!
Lomi se poziv sveti
Tek pticu budi***

...

*Allahu ekber!
Echoes the holy summons
It wakes up one bird only*

.....
***Ognjišta nema
Posvuda suze. A Oni
sami i sretni***

...

*The hearth has gone
Everywhere only tears. And They
alone and happy*

.....
***Pogledaj, šehid!
Kako se zvao? Nije
iz našeg kraja***

...

*Look here, a fallen hero!
What was his name? He is not
from our regions*

.....
***Pâle! Noć, kiša
Led. Ruku, Esmâ! Majko!
Krik i vode hûk***

...

*They are burning everything! Night,
rain, ice. Your hand, Esmā! Mother!
A scream and the roar of the river*

***I pade Čovjek
Seljak na njivi. Greškom
Tek čovjek manje***

...

*So, a Man fell down
A farmer on his field. By mistake
And thus - one man less*

***Odjeka nema
Uši i srce gluhi
Život se guši***

...

*No echoes to be heard
Deaf are the ears and the heart
Life loses its breath*

***Allahu Dragi!
Vrati ljude i stoku
U tu ljepotu***

...

*O Allah my dear!
Return the people and the cattle
to that beauty!*

***Ugledan. Učen
Srdačno ruku pruža
I pogled skriva***

...

*Highly respected. Well-educated
Cordially shakes your hand
and does not look you in the eye*

***Noć gluha. I mraz
Sami, djeca i majka
Jeziva strepnja***

...

*A night as silent as a tomb. All frozen
All alone, a mother and her children
A chilling dread*

***Zdravo, mišiću!
Ne vređaj! Pećinski lav
To je, znaš, moj rod***

...
*Hello, my little mouse!
Stop offending me, rogue! A lion
Guarding its cave are my people*

***Pužiću dragi,
spor si. Žuriti, kuda!
Slabašan i sam***

...
*Dear little snail,
you are so slow. To hurry, where?
So weak and so lonely*

***Ljudi u jami
Moli tiho! Zlikovci
žele red i mir***

...
*People thrown into a mass-grave
Silently he prays. The villains
insist on law and order*

***Junaci, zna se
Slavni i mrtvi. Vladari
živi i moćni***

...
*Heroes, what else
glorious and dead. The rulers
mighty and alive*
